

Carmel, Indiana Open Space Feasibility Plan

Carmel, Indiana

POPULATION: 80,000
SIZE: 18 sq. mile
STATUS: Preliminary Design
TYPE: Open Space Master Planning
YEAR: 2008

A burgeoning city on the northern edge of Indianapolis, Carmel boasts of the largest employment center in Indiana. Farmer | Morgan was hired by a local consultant to help organize the numerous open spaces within Carmel into an integrated and simplified open space master plan. In addition, Farmer | Morgan developed a detailed design plan for the heart of downtown Carmel, the civic square known as the Bethlehem Square.
